

NOT

I am not dirty you are not dirty you
are not clean I am not clean
we are not grounded on the ground we
are not flying I cannot fly nor can you she
tries to fly they try to fly thoughts
do back and forth into
clarity I am not clear you
are not clear we see our eyes are open you
do not see I do not see or
cry long and loud enough while
we are all too loud for one another and small I
am small you are small which
can mean vulnerable or cowardly you
they we she all
can be great admirable magnanimous
impressive or inspiring awe
involving fear of looking
looking up of flying of you flying of
trying to fly and failing of her crying not crying falling
back falling onto into the ground of
not seeing or seeing long or being seen of
lying enough lying another not clean failing of
dirt being hidden by dirt being
small or too small in a great open world or
too loud in a cowardly world or
there being no not clear no flying no flight no awe or fear
no dirty dirt no ground no clean ground for thought back
and forth for not thought not
no thinking I no crying you nor they
one another too being
not trying fall
open
